

Middle School

(7th & 8th Grade)

Our middle school group is called Head to Heart (or H2H for short). We get together every Tuesday (except for the 4th one) at 6:30pm in the Fellowship Hall for dinner, games, a lesson, some small group time, and general hanging out.

A day or two after the lesson the topic and some devotional type questions show up here so you can think about what we were talking about all week.

Once a month we do something fun, or community service related or both.

We have a pretty fantastic time.

High School

(9 - 12th Grades)

Our High School gets together at small two different group bible studies.

The first one happens in the youth center on Sundays at 11am beginning September 16th. During this one we talk about whats going on in the world and what it has to do with God, if it has to do with God.

The second one takes place in Amanda's living room a couple times a month at 6pm beginning September 17th. And a rerun on October 3rd. Here we'll watch and talk about the Nooma videos by amazing Rob Bell.

We also have events and Trips from time to time.

Events and Trips!

Knitting (middle & high school)

I hear it all the time “Isn’t that for old ladies?” Um no. Its not. In fact its super popular right now. You can make all sorts of cool things once you know the basics. Stop by the Youth Center any Wednesday between 3:30 and 5:30 for a beginner lesson, to ask a question, or just to hang out while we talk and knit. (we’ll even let you crochet if you are into that sort of thing instead.)

Swing-out Lock-In (high school)

Like knitting swing dancing is even more awesome than you think. The first time you do it you’ll be hooked. I promise. September 22nd we’ll leave the church at 6:15pm and head to Glen Echo where we’ll learn the beginner steps in a fancy ballroom and then use them at a dance with a live band. Then we’ll get back to the church and pass out from all the dancing. Learn to dance and impress your friends at school dances with something new and different. You may not be doing this your first time: <http://www.youtube.com/watch?v=myJj0mNNe1Y> or even this: <http://www.youtube.com/watch?v=WeaZiqR0Auc> But you’ll get there one day.

Leaders!

Amanda Brennan is the Director of youth and family ministries at St Johns. She really loves her job and says that the parts of the week when she gets to just hang out or teach are the best parts. She loves reading, knitting, swing dancing, music, coffee and tea, and her little dogs.

Fun Fact: Amanda is allergic to corn and obsessively reads the ingredients on everything within reach.

Seen & Heard

We want everyone here at St Johns to know a little about each other. So every week we will put up a picture and short bio on one of our students. Stop by the narthex or this page to see who's up this week!
