

Welcome New Members Spring 2019

Elizabeth "Ann" Haynsworth

Is back at St. John's and worshipping at 8:08 service and reconnecting with her pew buddy and sponsor, Renate Meise. Ann was baptized as an infant in Sidney, Ohio and confirmed at First Methodist Church, Jackson Center, Ohio. She has two children, Derek and Dena, both confirmed at St. John's, and one granddaughter baptized at St. John's. "I was a member at St. John's Church in the 80s and moved away in the late 80s. Returned and decided to return to my home church at St. John's. Everyone has been so nice with arms open and a smile. Renate was the first lady I was introduced to in the 80s, I am pleased and feel very blessed to have her as my friend. I still work full-time in Design and Marketing, but would like to be involved in our church activities. I enjoy the Bible Study group at 9:30 Sundays and I would like to be involved with the children of the church along with some planning and design. Thanks to everyone for the wonderful welcome."
