Dear Vendor:

St. John's will be holding its **40th Annual Country Fair Day** on **Saturday, October 8, 2022**. Enclosed is your application for this year's fair. *Please read carefully; there are changes from past contracts.*

There is a **\$50** contribution required for your full space reservation, and **\$30** for a half-space. The full space is approximately 12' X 22' which allows room for one automobile. The half-space is approximately 12' X 11' (No Parking). Complete the enclosed application and return it with your check or money order made payable to St. John's Lutheran Church.

Please remember that our Country Fair Day is held rain or shine – **no refunds**.

Used clothing and prepared foods (jellies, jams, fruit, baked goods, etc.) **will not be permitted under any circumstances. To provide a welcoming environment for everyone, political, controversial, or offensive displays or items are not appropriate for Country Day Fair and will not be allowed. The CFD Chairperson and Pastor will have the final say. New this year, St. John's Country Fair Day is a family friendly, smoke-free event. Please refrain from smoking, including vaping, while on the St. John's campus.**

There is a flyer available online, as well as additional applications, at www.stjohnssweetair.org, with information about Country Fair Day. Please share this information in your travels.

Spaces will be assigned upon receipt of your application. All returning vendors need to have their application in no later than August 1, 2022. Please note this is different from past years. If possible, we will attempt to assign the same space reserved in prior years.

We are encouraging registered vendors to arrive on Friday, October 7th, to begin setting up between the hours of 9:00am~ 6:00pm. **NOTE: For the Friday set up, no one will be permitted to enter early before 9:00am or after 6:00pm.** While St. John's will not be responsible for items left overnight, a member of our congregation will be stationed on the premises at all times.

Important ~ do not leave vehicles in unmarked spaces without checking with someone on the Country Fair Day Staff. Traditional parking spaces are not used.

If you choose to wait until Saturday morning to arrive, we will begin vendor setup at 6:00am. If you have not arrived by 7:00am on Saturday morning, your requested spot may not be available and you must unload your vehicle and hand carry your merchandise, as foot traffic begins at 7:00am. Patrons arrive early!

If you have any questions regarding this letter, please call or email the church office @ 410-592-6565 or office@stjohnssweetair.org.

We look forward to seeing you there.

God bless,

St. John's Country Fair Day Committee,
